Reopening recommendations for the 2021-2022 school year:

Dear Parents, students and stakeholders,

Face coverings will not be required for students or staff at the Fulda Public Schools. Buildings will maintain a limited supply of face coverings for students and staff who choose to wear them. Hand sanitizer will be in the same locations as last year.

Self screening will be encouraged for all students and staff. The district is required to report any cases to MDH. If somebody comes in close contact with an individual who tests positive, families will be notified and those individuals will not be required to quarantine if they are not showing symptoms. Those that test positive will be required to quarantine following MDH guidelines.

Students and staff will not have to be vaccinated to enter our buildings. We are starting Normal, and Fulda School District will operate pre-covid. Normal lunches, 7 period day for 7-12 grade class schedules, five day a week in person learning with standard start and end times, unless MDE mandates a change due to an outbreak.

We are still getting clarification from our bus transportation director, to see if we are determined not to be “public” transportation, so please be patient regarding transportation.

This is following MREA and MDE guidance, as Superintendents we have been informed it will be local control and no mandates will be issued, only recommendations.

Any questions, please contact me at lwoelber@wwgschools.org or 507-828-6608.

Loy Woelber, Superintendent of School
